Ambie

The Ambie Chair combines ergonomic comfort with sleek, mid-century modern design. Featuring a generously sized seat and backrest, upholstered in luxurious tan-coloured faux leather, the Ambie Chair provides a stylish and functional seating solution. The chair's height-adjustable seat and ergonomic design allow for the seat and back to tilt together as a single unit, with five locking positions and a tension knob for customised tilt adjustability.

Designed with practicality in mind, the Ambie Chair includes fixed armrests and a sturdy black frame and base, ensuring long-lasting durability. The stylish handle on the backrest adds a touch of convenience, allowing for easy movement around the office or home. Perfect for those who appreciate both comfort and aesthetic appeal, the Ambie Chair is a versatile addition to any modern workspace, offering both elegance and ergonomic support.
