Boston

The Boston product range, from Workspace Commercial Furniture, features a straight solid leg profile made from quality Tasmanian Oak which creates a sense of strength and stature. The veneer finish generates a stunning aesthetic in its colours and grain patterns.

Boston provides a quality multi-purpose storage option that is not only beautiful in appearance but also highly functional with sizes and options to compliment any space and application.

Boston is a very popular choice for hospitality and aged care applications for its robust design and stunning finish.
