# Milan

We are thrilled to reintroduce the classic Milan chair to our commercial furniture collection, ideal as a premium option for projects. Crafted from exquisite White Ash timber, the Milan chair features a beautifully upholstered seat and a sleek timber back. Its versatile design effortlessly blends into both formal and casual settings, making it an ideal choice for restaurants, cafes, and domestic dining spaces.

The Milan chair offers a timeless aesthetic, embodying elegance and sophistication while ensuring lasting comfort. Choose from a variety of upholstery options to tailor the chair to your project's specifications. Whether for a chic dining area or a stylish meeting room, the Milan chair provides a perfect seating solution with its blend of durability, style, and comfort.

Embrace the enduring charm of the Milan chair and elevate your design projects with a piece that marries tradition with contemporary appeal.
