Otto

Otto is the latest and hottest new addition to the Workspace Commercial Furniture coat rack range. Otto boasts 8 hanging dowels allowing it to be the perfect minimalist addition to any designer workplace. Otto is a simplistic yet eye catching design which will liven up any space whilst being extremely accommodating and useful at the same time.

Otto is 100% Australian designed and manufactured and features quality construction using American white ash and premium finishes such as natural or stained polish as well as countless custom options. Otto can be tailored to your individual needs.
