Tempo

Designed for extended periods of seated work, the Tempo Task Chair combines exceptional comfort, support and adjustability. Its generously padded, contoured seat and upholstered backrest provide lasting comfort, while independent back and seat tilt, seat depth adjustment, gas lift height adjustment and a ratchet-adjustable backrest allow users to fine-tune their sitting position.

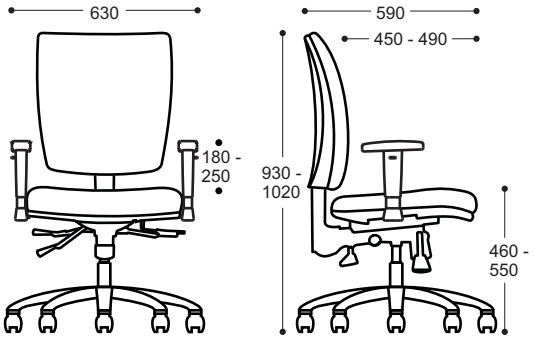

Tempo is available with low, medium or high backrests, and a choice of fixed, height-adjustable or no armrests. Fully upholstered seat and back options allow easy customisation to suit a wide range of workplace interiors.

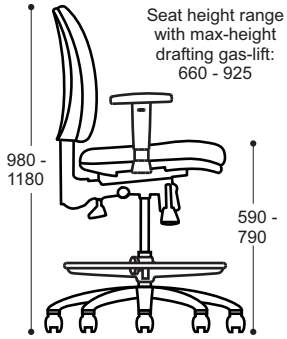

DIMENSIONS

Height for drafting chair are for low back option.
Height for task chair are for mid back option.
High back is 60mm higher, low back is 60mm lower.
