Tetra

Workspace Tetra Disc Table provides a solution for situations where style and economy are not mutually exclusive.

With its base in brushed stainless steel, polished chrome or black powder coat finish, this table is a perfect fit for commercial breakout spaces where maximum space efficiency is required. With a range of occasional tables, meeting tables and bar tables, there is sure to be a Tetra Disc table to suit all requirements.

Couple a Tetra Disc table with a booth or lounge for a simple yet effective breakout setting, or use two Tetra Disc bases for a rectangular meeting table.
