Yarra

The Yarra chair is a stylish contemporary timber stacking chair which adapts to many seating environments including dining, waiting rooms, visitor areas or private meeting rooms. The chair also suited to education, hospitality, and healthcare applications.

Yarra chair is available with a polished exposed timber back or with a slimline upholstered pad to the internal face for additional comfort.

Manufactured with a webbed seat and quality foams, Yarra is a long lasting, supportive and extremely comfortable chair. This ensures it meets all the criteria for aged care durability requirements as well as posture & comfort needs. You can also select your choice of clear or stain finishes with 2 pac clear lacquers to integrate Yarra into your décor.
